Safe and Secure - with a deep sense of Peaceful Joy

Attunement by Ann Marie Work (Proclamations by Rich Work)

Declaring My Intent

It is my intent to be well, whole and perfect in mind, body and soul. And so it is.

When I am in judgment, anxiety, doubt or indecision, a solution lies in the Rhythm of Peace within me.

Peace is the conscious awareness of Divine Love in yourself and in all things.

- In Peace I acknowledge, discover and embrace the magnificence of Divine Love within me.
- In Peace I have awareness, understanding and compassion.
- In the fullness of Peace there is no criticism, worry, anxiety, doubt, indecision, self-condemnation or loneliness.
- My Rhythm of Peace releases and transforms the accumulated physical, mental, emotional stress of judgment.
- In Peace my energy body and cranio-sacral system align and expand their resonance and function.
- Peace emerges when I acknowledge the Spirit of Life breathing within me.

Establishing Intent to Move Forward

Whatever is interfering with my Free-Will Choice and my ability to move forward in my life according to my Heart's Desires, I choose to embrace into Unconditional Love. And so it is.

When I feel a sense of injustice, resistance or control, a solution lies in the Rhythm of Security within me.

Security is my Rhythm of Serenity, knowing I am safe and supported by the Divine Love within me.

- In Security I perceive the possibilities and options open to me and I am encouraged with positive thought.
- In the fullness of Security I have no sense of restlessness, being the victim, or feeling downtrodden.
- In Security I have serenity, resiliency, safety, gentleness and beauty in all things.
- My Rhythm of Security brings peaceful joy to open my awareness of my gifts in life. I feel encouragement and acknowledgement—creating a flow of energy to open new paths of discovery and accomplishment.
- I find Security when I quiet my mind to focus on the Breath moving in and out of my body in a gentle flow.

I Acknowledge My Being

From the Divine Love within my Being, I call forth the totality of my Being, in Love.

I ask that you forgive and honor me as I forgive and honor you. I thank you for the lessons we have shared.

I now embrace all bonds between us in Unconditional Love and transmute all interfering energies into the divine expression of Creative Love, and embrace you into my Oneness. And so it is.

When I feel fear, hesitation, procrastination, lifeless or depressed, a solution lies in my Rhythm of Joy.

Joy is the creative movement of Divine Love in and with all things.

- In Joy I continually express the magnificence of the Divine Love within.
- In the full movement of Joy I have no fear, suppression, sadness, depression or sluggishness.
- In Joy I experience the fullness of life, happiness, regeneration, enthusiasm and inspiration.
- My Rhythm of Joy releases and transforms the accumulated affects of the stress from fear and suppression.
- In Joy, my cells and systems increase their life force and their ability to revitalize and rejuvenate.
- I find Joy when I focus on the smile of Love and contentment in my heart.

Establishing New Patterns

I reaffirm all those proclamations supporting my intention to be well, whole and perfect in mind, body and soul.

I am prepared and accept my abundance in all things that bring me joy. And so it is.

“The magnificent of Peace, Security, Joy and Divine Love exists, expresses and manifests in and through me. And so it is”
